

Helpline

Courtesy MIHLS you got courage & love from your wife & friends presence & what more...
 Medi Info hastens the medical attention by even paying the initial admission fee!! Can you imagine that?

The secret of your quick recovery is MIHLS
 Their immediate sanction of Rs.20,000/- ensures rapid admission & treatment. In your emergency it will make the real difference. Better than a Credit Card!!!

Medi Info will soon start a help line for members.
 This help line has only one prime task to do i.e. to contact relatives by phone, sending sms on pre allocated numbers, email or any other way.
 A help line to see that HELP is on its way as fast as possible.

Preventive Healthcare

We at Mediinfo offering a unique program call Preventive Healthcare.
 We believe that most of the illnesses we suffer are due to our surroundings and our stressful lives we live in this fast moving world.
 We understand the need of preventive healthcare as a positive tool to fight chronic diseases like arthritis, cancer, gastroenteritis, cardiac problems etc.
 By following basic steps medical science gives us tools to get early diagnosis for almost all diseases. In most cases illness is due to negligence and unawareness, which is the prime cause of any chronic illness.
 At Mediinfo we have started the initial steps to Preventive

It's time you benefitted from the great digital technological achievement, in the 'medical field'.
